Looking to the Future!

A Letter from the Historian

Hello and ODH to the Alumni of Beta Epsilon!

The men of Pi Kappa Phi Beta Epsilon (BE) are overjoyed that the *Beta Epsilon Bell* has reached you. My name is Michael Carney and I am the new Historian for the BE chapter of our fraternity, as well as a founding father. We are excited about this upcoming year and are looking forward to getting our valuable alumni more involved in the chapter! Keep your eyes open for information regarding alumni events in the Fall 2020 semester.

2019-20 in Review

The young men of Beta Epsilon enjoyed an exciting and fruitful year in our first full year of re-founding. Following a successful re-chartering banquet ceremony, including speeches from Beta Epsilon's own Matt Basta and more, the fraternity began work on our first homecoming back at the University of Missouri.

Beta Epsilon was paired with ΣΣΣ with a Pirates of the Caribbean theme. This was a big step in shaping our Greek-Life involvement on campus. Following a successful showing of our pirate-themed skit, including many newly initiated freshmen members, the men of the fraternity showcased their very own pirate ship float that sailed through the streets of Columbia on Mizzou Gameday.

Although our school year was unfortunately cut short, the men's second semester included highlights including the beginning of our newly elected executive terms, successful social events, and our very first Mom's Weekend. Following a fun painting event with our mothers, the chapter was able to raise nearly three-thousand dollars to benefit the chapter and The Ability Experience.

What's Next for the Chapter!

The 2020-21 school year will be an exciting one for the men of the fraternity.

First, we have already received our pairing for Homecoming 2020. We are overjoyed to work with the women AXΩ in pursuit of first place! Mizzou's 109th Homecoming will take place on Oct. 24th, 2020, and the Tigers will battle the Kentucky Wildcats. All Alumni are absolutely encouraged to attend and see our house. This invitation carries over to every football game for the next season. Find the schedule on Mizzou's website!

Furthermore, we formally ask that you attend the initiation of our BE Beta Class in this upcoming semester. Information about this alumni event will be released as soon as it is available!

Thank you and ODH to the alumni of Beta Epsilon!
